

## Why Getting Involved Is Important

**Ambassadors Committee** works to promote the value and benefits of the chamber to new and potential members. They also share their positive membership experiences and how membership has helped their business. Ambassadors engage members to participate in programs, networking events and money-saving opportunities. They represent the chamber at grand opening and ribbon cutting events and also greet members at monthly chamber events.

**Commerce & Public Policy Committee** addresses small business needs and works to develop and implement programs that attract new businesses as well as business expansion. Committee members work closely with economic development and tourism organizations to monitor issues that may affect business and encourage dialogue with elected officials.

**Education Committee** works to bring about a cooperative interchange of goals, information, and activities between our businesses and local school teachers, administrators and students. Education Committee initiatives include: *Welcome Back Teacher and Staff Appreciation Breakfast, Adopt-A-Class Program, Teacher and Student of the Month, Teaching Junior Achievement Programs, Student Mentoring Programs, Art, Music & Benefit Auction that supports school art & music programs, and the Community, Chamber for Schools annual school supply drive.*

**Community Engagement Committee** works to enhance the image of Jensen Beach, Rio, Hutchinson Island and quality of life through beautification projects and fundraising events that showcase the business community. Community members promote the benefits of volunteerism and engagement. Chamber produced events include: *Jammin' Jensen (every Thursday Night in Downtown Jensen Beach), Jensen Beach Fine Art & Craft Show, St. Patrick's Day Parade, Taste of Jensen, and the annual Jensen Beach Pineapple Festival.*

**The Entrepreneurship Foundation, Inc.** is a specialized 501c3 tax exempt nonprofit educational foundation that works with the Chamber's Education Committee to provide the resources needed to promote and encourage a culture of entrepreneurialism.

**History Museum of Jensen Beach, Inc.** is a 501c3 tax exempt nonprofit organization located in the Chamber's Visitors Information & Business Referral Center. The museum collects and displays historic Jensen Beach artifacts, photos and documents. The group holds periodic fundraising events.

**Building Fundraising Committee** seeks donations to fund the construction of a new Chamber headquarters building that will house the administrative office, Visitor Information & Business Referral Center, the Jensen Beach History Museum and The Entrepreneurship Foundation Learning Center.
